CS 3450 - Team 7even
**Sprint Planning - Weeks 3-4**

Tyler Beck
Kaden Hellewell - Scrum Master
Jonas Knudsen

Know the end from the beginning
- When the sprint ends
    - o The sprint ends on November 13, 2020.
- How many hours you have to work on this project this sprint
    - o 7 hours
- Who is going to be here on what days (vacation / other class priorities)
    - o We will all be here every day.
- Pick a metric to evaluate each other on during the retrospective
    - o Story point quantities.
- For sprints 2 & 3: List 1 item from your retrospective that you said you were going to do better at that you are going to focus on this sprint.
    - o We will start on time!
- Assign a ScrumMaster for this sprint
    - o Kaden Hellewell

Estimated vs Actual Story Points Remaining
